## CPD Overview

---

Shaw Contract Group is an innovation and design leader in the flooring industry, with experience spanning 60 years.

Style: Easy Style | Color: Ginger

---

## Available CPD Material (2)

---

### Commercial Carpet: Going Beyond the Labels

Gain a broad understanding of the various sustainability and building rating schemes used in the industry to specify commercial carpets.

- Gain an understanding of the various components of carpet such as nylon, Polypropylene fibres and bitumen, PVC, cushion backed and polyolefin backing systems and their limits on recyclability.
- Understand how carpets can be designed for closed loop recycling.
- Gain an understanding of the Cradle to Cradle concept as an alternative specification tool.

Material type:

Seminar

RIBA Core Curriculum:

**Climate: sustainable architecture**  
**Designing and building it: design, construction, technology and engineering**

Knowledge level:

General Awareness

---

Multiple formats

### ColorSense

This seminar tells the story of progression into a new future through colour with six personas. The consumption of our economy is now on a collision course with the resources of our planet. The personas are conflicted with two contradictory qualities to create a new world of possibilities. Innovation and progress is found in the middle.

Material type:

DVD, Seminar

RIBA Core Curriculum:

**Designing and building it: design, construction, technology and engineering**

Knowledge level:
